“Candidate Forum”

We are excited to announce the League of Women Voters Springfield Area and the American Association of University Women Springfield Branch will be hosting our first candidate forum! Candidates have been invited who are local representatives for Federal, State, and County offices being decided by the election on November 6, 2018. Written questions will be accepted from the audience. Come and learn about your elected officials who help decide issues that can directly affect you, your family and your community.

MODERATOR:
